

## **DETAILED ACTION**

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Claims 1, 3, 10, 14, 19, 28 and 30 are allowed.

The prior art fails to disclose establishing a second higher data rate wireless communication link with the another device, said second link operating at a higher data rate than said first link; and c) controlling communication of the second higher data rate wireless communication link, wherein the first wireless communication link frees the second higher data rate wireless communication link from link control overhead by using the first wireless communication link as a control channel for the second wireless communication link.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to RAJ JAIN whose telephone number is (571)272-3145. The examiner can normally be reached on M-TH.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, William Trost can be reached on 571-272-7872. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for
